Spirit of the Ocean Journey

Relax - Revive - Renew

Like a butterfly emerging from its cocoon after a long winter sleep, we invite you to rebalance your mind while we reset your body with this sensuous escape. Taking inspiration from the ancient spice routes of this region, we use an invigorating mix of coffee, cinnamon, and orange essential oils along with indigenous botanicals to exfoliate the body and uplift the mind. Then, embark on peaceful me-time as we cocoon you in a coffee, cinnamon, and orange wrap to nourish, feed, and brighten your skin while you clear your mind. Lastly, indulge in a relaxing full-body massage, leaving you refreshed, ignited, and renewed.
